Retail Keg Sales for Special Events

One-Week Prior to Event:

Visit our taproom to do a tasting of beers on tap.
 Prioritize your top choices.
 Fill out the form below and return it to our staff.

Two-Days Prior to Event:

If you haven't heard from us, give us a call to check on availability of kegged beers and to make arrangements for payment and pick-up.

One-Day Prior or Day of Event:

Pick-up tap and keg. Place keg in ice or refrigerator. Keep cold until keg is empty.

- Due to high demand of kegs and our tight storage space, we currently have a limited number of kegs on hand and not all styles are available for sale at all times.
- Kegs are carbonated with CO2 and only require a pump-type tap. We have party taps available for purchase for \$45. You can receive a \$25 refund if returned in good condition. Party supply stores also rent a variety of tap types. We supply typical American-style Sankey fitted kegs. Drink within 24 hours of tapping.
- A \$100 keg deposit per keg is required and we request kegs to be returned within two weeks. Your deposit will be refunded in cash when kegs are returned to the Brewery.
